

**Comprehensive Review of Courses Required for Major
Initial Assessment
Due December 4, 2015**

Respondent Information

1. Name
2. Title(s)
3. Telephone Number

Program Information

4. Name of Major
5. Are the current unit requirements the minimum necessary to achieve your program learning outcomes and other programmatic objectives? (Y/N/U)
6. If the upper division units are greater than 45, can they be reduced through a restructuring of the curriculum? (Y/N/U/NA)
7. Are any of your upper division courses articulated with community colleges, or taken in the second year either in your major planners or in practice? (Y/N/U)
8. Are there any lower division courses that are not prerequisites to other courses required for the major? (Y/N/U)
9. Are the credit requirements for your major impacted by course structures outside of your department? (Y/N/U)
10. If the major has a qualification policy, does it include upper division courses? (Y/N/U/NA)
11. Do frosh typically take 4 years and transfers 2 years to complete this major?
What are the primary bottlenecks to timely degree completion? (Open Ended)

Lower Division Credit/Course Information

If the major has concentrations with different requirements, enter the lowest and highest numbers. If the major has no concentrations but options in the requirements could lead to different numbers of courses or credits, enter the lowest and highest possible. If the major has no concentrations and there is only one number of courses or credits required, enter the same number for both lowest and highest courses and the same number for both lowest and highest credits.

12. What is the lowest number of lower division credits required for graduation?
(Open Ended)
13. What is the highest number of lower division credits required for graduation?
(Open Ended)
14. What is the lowest number of lower division courses required for graduation?
(Open Ended)
15. What is the highest number of lower division courses required for graduation?
(Open Ended)

Upper Division Credit/Course Information

If the major has concentrations with different requirements, enter the lowest and highest numbers. If the major has no concentrations but options in the requirements could lead to different numbers of courses or credits, enter the lowest and highest possible. If the major has no concentrations and there is only one number of courses or credits required, enter the same number for both lowest and highest courses and the same number for both lowest and highest credits.

16. What is the lowest number of upper division credits required for graduation?
(Open Ended)
17. What is the highest number of upper division credits required for graduation?
(Open Ended)

18. What is the lowest number of upper division courses required for graduation?
(Open Ended)
19. What is the highest number of upper division courses required for graduation?
(Open Ended)
20. Do any of the upper division requirements for your major satisfy General Education (GE) requirements as well? (Select from list of GE categories or None other than Disciplinary Communication)
21. Do any of the lower division requirements for your major satisfy GE requirements as well? (Select from list of GE categories or Not Applicable)
22. Can the upper division requirements for your major be completed in the theoretical equivalent of one year or less? (Y/N)

Wrap-Up

23. Based on the initial assessment of your major, for which catalog year are changes planned? (2016-17/2017-18/Changes are not planned - no further action needed at this time after submission)
24. We would appreciate any thoughts and opinions you would like to share with us about this project or the current state of this major. (Open ended, Optional)
