Faculty-Led Study Abroad: UC Santa Cruz Goes Global

by Alice Michel

Director of Study Abroad

Global Engagement is pleased to announce the official launch of UC Santa Cruz faculty-led study abroad. These are campus-based study abroad programs designed by UC Santa Cruz faculty for UC Santa Cruz students to take UC Santa Cruz coursework abroad. In developing these programs, faculty leverage and integrate the location into the learning outcomes of the course, incorporating local excursions and field trips into the program itinerary. Sign up for Direct Deposit!

Did you know that more than 2,000 employees still receive a paper check? We're encouraging folks still receiving a paper check to consider signing up for direct deposit. Direct deposit offers security, reliability, flexibility, confidentiality, convenience and contributes to sustainability efforts. Signing up for direct deposit can save a pound of paper per year, avoid the release of 4 gallons of wastewater into the environment, and avoid the release of 1 pound of greenhouse gas into the atmosphere. More information can be found [here](#).

Ask the VPDUE!

Do you want to know more about initiatives in Undergraduate Education or campus-wide? Are there questions you have for the VPDUE? Each month we'll solicit questions across the division and highlight them the following month. Ask the VPDUE questions via the [online form](#).
