Porter College and Stevenson College Provost Searches

In 2019-20, searches will be conducted for the [Porter College Provost](#) and [Stevenson College Provost](#) positions. The initial review date for both positions is Friday, September 27, 2019. Application is through the links. College provosts are key campus scholar-administrators focused on the academic programs of their college, alumni connections, faculty community, and a multitude of other issues. Provost positions include release from 50 percent of teaching load, a stipend, and summer salary. The positions will begin July 1, 2020; each has a three-year appointment. Please feel free to contact VPDUE Richard Hughey (rph@ucsc.edu), or a current or past provost, to discuss either position.

Performance Appraisals

Staff Human Resources has issued the call for 2018-19 performance appraisals. The appraisal period covers July 1, 2018 through June 30, 2019. Read the call from Staff Human Resources [here](#).
